

## Prices WINPACCS Cloud

WINPACCS Cloud is provided as "Software as a Service". Invoicing is performed on a monthly basis (subscription model) and comprises a basic fee and additional fees for actual services used.

### Basic fee

---

## € 395 per month and organisation

The following services are included in the basic fee:

- Hosting of your own WINPACCS Cloud data on high availability server infrastructure including comprehensive data protection measures.
- Usage of the WINPACCS Cloud database with up to 15 GB storage. A fee of € 10.00 is charged per GB on a monthly basis for any further memory.
- Usage of WINPACCS Cloud file storage with up to 10 GB storage. A monthly fee of € 0.20 per GB is charged for any further storage.
- A sufficient number of the key user roles, to facilitate the central functions of WINPACCS.
- Five projects in planning status and 20 active projects, plus an unlimited number of archived projects.
- Up to one hour of technical or professional support per month. Any further support and consulting services are available at € 100.00 per hour and are billed at ¼-hour intervals.
- Up to four training days in Germany per year.
- Unlimited access to the WINPACCS Document Library with invaluable information on using WINPACCS.
- Provision of standard training documents in electronic form in English for trainers and participants for performing in-house training.
